

# Pearson Connected Leaders

Un programa de alto impacto para líderes educativos.

## BIODATA

### Mónica Celis

Mónica Celis Arias holds a Master's Degree in Neuropsychology and Education. She has a B.A. in Modern Languages with an Emphasis on Methodology for Teaching English. Monica is also a professional musician with an undergraduate degree in music from EAFIT university; this experience has impacted on how to incorporate music into the teaching of English. She also took a Business English Diploma course and a CELTA (Certificate in English Language Teaching to Adults) course, which she passed with the highest grade. Monica's areas of interest are assessment, syllabus and curriculum design, methodology, and teacher training. Monica is constantly involved in research, materials design and teacher training activities. She has worked on research on neuroscience, educational neuropsychology, and teaching methodology. Currently, she is the Academic Coordinator for Educational Coaches for Pearson Colombia and Ecuador, and therefore, she is constantly involved in teacher training activities, as well as in conferences, workshops and trainings for teachers and the academic community in Colombia and the rest of Latin America.
