Eugenia Dell'Osa

Eugenia Dell'Osa has been dedicated to ELT since 1995. With more than 20 years' experience, she has worked in the creation and implementation of bilingual curriculums in kindergartens and primary schools as well as teacher development courses. A freelance speaker at national and international conferences. She coordinates groups of teachers in different educational contexts and leads the Diploma in Teaching EFL to YL at Universidad de Morón. She is passionate about teaching in innovative non-traditional ways.
